

# SOCCER CHALLENGE

BOYS AND GIRLS AGES 9 TO 14.

Go to <http://kofcvalpo738.org> for more info and Entry/Scoring Sheet

The Knights of Columbus Soccer Challenge is a competition for players ages 9 through 14 to demonstrate the most basic of soccer skills - the PENALTY KICK. Each player will be allowed 15 shots at the goal from the penalty line (12 yards from the goal). This is FUN and EASY!

The goal will be divided into five scoring zones. The upper corners of the goal are 20 point zones. The lower corners are 10 point zones. The center area is a five point zone. The total points for 15 shots determines your score.

**ALL** boys and girls ages 9-14 (as of Sept. 1) in the Valparaiso and surrounding communities are invited to participate in the local level competition for the 2017 Knights of Columbus Soccer Challenge. Winners of each council contest will advance to the KofC Indiana District 6 Soccer Challenge.
